BE A PART OF AN UNPARALLELED
AUDIO-VISUAL EXPERIENCE!

ALL YOUR AUDIO VISUAL REQUIREMENTS UNDER ONE ROOF!

From a Projector Distribution company to a full-fledged AV Solution Provider, we have come a long way!

With 18 years of experience, we understand your spoken and unspoken needs and endeavour to provide quality audio visual equipment and technical support that best suits your diverse requirements.

We have a proud history of providing exceptional service with our dedicated team of tech experts. We have expanded our focus and expertise to serve our clients. Based on their needs, we advise and give them the necessary technical support and manpower to ensure excellence in our AV solutions. We also provide them with necessary guidance regarding their technical concerns and issues.

A close-up photograph of two men in business attire shaking hands. The man on the left is wearing a dark blue suit jacket and a light blue striped shirt. The man on the right is wearing a dark pinstriped suit jacket and a white striped shirt. They are seated at a dark wooden table. In the background, a white coffee cup on a saucer is visible. The lighting is warm and focused on the hands, creating a professional and collaborative atmosphere.

WE BELIEVE IN INTEGRITY, COMMITMENT AND PARTNERSHIP APPROACH

“We always strive to provide professional and genuine advice.
We are keen on a long-term relationship rather than short term gain.”

EXPERIENCE CENTRE

If a picture says a thousand words, then an experience centre is worth a thousand pictures! Come and experience our services with our state-of-the-art home theatre and home automation setup, before you decide what's right for you.

HOME AUTOMATION

LIGHTING CONTROL

Create the perfect atmosphere by turning on certain lights and dimming them to the perfect level by just touch of a button. Our system will give you complete control over all the types of lights that are used in your home and office.

CURTAIN / MOTORIZED SCREEN CONTROL

Whether it's curtains, blinds, projector screens or shutters – we will help you control it intelligently and precisely. Our control systems are designed to control various motors available in projector screen and curtains at your finger tips.

AV CONTROL

Our Automation system is powerful enough to control host of AV devices that are available in our home. The Control systems make it easy to control TV, Projector, AV Receiver of your Home Theatre System, Set-top box / Blu-ray player or any AV device in the house or office. All the remotes of these devices will be integrated in the App and can be controlled through your Phone / Tablet or even with your voice.

CLIMATE CONTROL

Automated climate control system manages your ACs and HVACs to give you the desired temperature at your finger-tips.

ACCESS CONTROL

Our Automation system can also control access control devices like door locks, Video Door Phones etc that are present in your premises.

LED VIDEO WALL

Active LED Video Walls are the next big thing in display technology. Be it indoor, outdoor, mesh, transparent, poster or other shape - we have got it all covered! Its ability to deliver seamless images, scalability to any size or shape, and excellent optical characteristics make any video wall content look great from any angle.

1. INDOOR LED VIDEO WALL

Used for Indoor Events, TV Studios, Retail Displays, Shopping Centers, etc.

Pitch (mm)	1.5	2.5	3	3.91	4.8	6
Pixel Density (Pixels/ Sq Mtr)	4,44,444	1,60,000	1,11,111	65,536	43,403	27,778
Min. Viewing Distance	3 Feet	7 Feet	10 Feet	12 Feet	15 Feet	18 Feet
Cabinet Size (mm)	480x270	480x480	576x576	500x500	576x576	576x576
